SUBMISSION OF CORRECTED DRAWINGS

MAIL STOP AMENDMENT
COMMISSIONER FOR PATENTS
P.O. BOX 1450
ALEXANDRIA, VA 22313-1450

This submission of corrected drawings is in response to the Examiner's comments attached to the Notice of Allowability mailed on July 21, 2004, in which new corrected drawings were requested. In particular, the Examiner requested a Replacement Sheet and a marked up copy of the Replacement Sheet, including annotation indicating changes made to the previous version.

In response, a clean Replacement Sheet of corrected Figure 4 is being filed herewith. In addition, a marked-up copy of the Replacement Sheet labeled as "Annotated Marked-Up Drawings" is also being filed. The annotated marked-up drawing indicates those changes made to previous Figure 4 in red and circled. In particular, Figure 4 is amended to correct the angular

orientation of slots 58 and 72. Support for this amendment is found in Figures 7, 14 and 16A-1 through 16-E-3. Thus, no new matter is believed to be added. In addition, a letter to the Official Draftsman with a marked-up copy are also being filed herewith.

Respectfully submitted,

Date 7/30/2004
